

NOTICE OF PUBLIC INVOLVEMENT PROGRAM  
STORMWATER PUBLIC EDUCATION AND OUTREACH

The Township of Frelinghuysen has authorization from the New Jersey Department of Environmental Protection to discharge storm water pursuant to a Tier B Municipal Stormwater General Permit that went into effect on January 1, 2018.

Under the permit, the Township is responsible for implementing a Public Education and Outreach Program that focuses on educational and pollution prevention activities that could reduce the impacts of stormwater discharges on surface water and ground water and involves the public in reducing pollutants in stormwater. These activities are required to be conducted throughout the duration of the permit.

The Township of Frelinghuysen is seeking assistance from the public in implementing public education and outreach activities in order to comply with its Tier B Municipal Stormwater Permit. Any residents that are interested in helping in these regards should contact Township Engineer Paul M. Sterbenz, P.E., PP at either (908) 507-7353 or [psterbenz@maserconsulting.com](mailto:psterbenz@maserconsulting.com).
