JULAINE WILLIAMS HUMANITARIAN AWARD

FRELINGHUYSEN TOWNSHIP SCHOOL

P. O. BOX 421, JOHNSONBURG, NJ 07846

May 23, 2007

The Julaine Williams Humanitarian Award Committee has chosen **Brenda Kleber** to receive the 2007 award. This award is presented annually to honor a volunteer that is making a difference in our community. Brenda Kleber will receive her award on Saturday, June 2nd, at the Founder's Day Picnic held at the Frelinghuysen Elementary School at 3 p.m.

Being nominated for this award is a great honor. Nominees would have distinguished themselves through their service to their school and/or community. This volunteer would reflect the traits of a great humanitarian: humility, energy, empathy, purpose and love. Former recipients were: John Jurena, Mildred Carter, Jeannie Brown, Dorothy Marra, Debra Natyzak-Osadca and Fran Muller.

This award was created to remember and honor the memory of Julaine Williams, Frelinghuysen Township resident and community friend. Her untimely passing bought to live our true legacy - as we leave behind careers and world possessions, what can possessions, what remains is the time and caring given to children, school, church and community to which we belong, who we have touched with a smile leaving the world a little better than it was before.

Congratulations Brenda!

Dorothy
