The Blue Star Mothers of North Warren, NJ-7, is comprised of mothers of Active Duty Service Members and Veterans - When circumstances happened recently to our military, to show support a group was formed to hang yellow ribbons all around our communities. While talking, it came up that we wished there was a support system for the families. After researching the Blue Star Mothers - our Charter was born. Please contact us through our Facebook page Blue Star Mothers of North Warren - NJ7 or via email bluestarmothersofnwnj@yahoo.com for more information, or to join our Charter!
