Dear Frelinghuysen Residents:

As you know by State referendum last year, the voters of New Jersey elected to legalize cannabis in the State. The Township Committee conducted an informal survey through the Township's website as to public views on the permitting of cannabis cultivation, processing, wholesale sales, retail sales, and distribution in the Township. Any or all of these possibilities could lead to substantial revenues for the Township. Before deciding how to proceed, the Township Committee would again like to hear the views and opinions of members of the public. We have scheduled a special meeting on May 26, 2020 at 7PM to be held by Zoom for this purpose only.

We look forward to hearing your views on the subject.

Very truly yours,

Christopher Stracco, Mayor
